# Waiver

I hereby apply to participate in the Bristol Dryland Canadian Championship Dog Race, organized by the Bristol Dryland Race Committee (BDRC) and sanctioned by the International Sled Dog Racing Association (ISDRA) and the International Federation of Sled Dog Sports (IFSS). I acknowledge that there are risks of injury to persons or possible damage to equipment while participating in a dryland dog race. I further acknowledge that I am participating in this race at my own risk. I understand that BDRC, ISDRA and the IFSS are corporations formed to advance the sport of sled dog racing, and that their efforts directly benefit me. In consideration of my being permitted to participate in this race, on behalf of myself, my heirs, assigns and personal representatives, I hereby waive, release and forever discharge BDRC, ISDRA, IFSS any organizations or individuals involved in organizing and/or sponsoring this race, any municipalities or other public entities, and all of their employees, agents, officers, directors, attorneys, members, sponsors, promoters and affiliates whosoever from any and all liability, claim, loss, cost or expense for personal injury, death or property damage arising from or attributable in any way to any action or omission to act of any such person or organization in the sanctioning, organizing or execution of this Dryland Dog Race, or my participation therein, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above, including but not limited to travel to or from or parking at the Dryland Dog Race. Knowing the above risks of dryland dog racing, I nevertheless hereby agree to assume those risks and to release, discharge and hold harmless all of the persons or entities mentioned above who (through negligence, carelessness or otherwise) might be liable to me or my heirs or assigns, for any and all damages for death, personal injury or property damage of any kind. The risks which I assume are all of those involved in participation in a sled dog event, including, but not limited to, those relating to trail conditions, weather conditions, passing of teams, contact between dogs and mushers on different teams or the same team, starting and finishing the race, sanctioning and officiating the race, spectator presence at the race, announcing and timing of the race, travel to and from and parking at the race, and all other natural and manmade conditions of any kind whatsoever pertaining to or occurring at this dryland race. I authorize the organization committee to take pictures and visual images of the performances and use them at their convenience. Be advised: No abuse of dogs will be tolerated at the Bristol Dryland Canadian Championship Dog Race. All drivers will abide by decisions of the Race Marshal regarding such incidences. Anyone physically or verbally abusing a race official or trail help will be disqualified from that class. Your signature on this entry form will bind you to Bristol Dryland Race Committee's CODE OF ETHICS.
